Surgical correction of pulmonary artery anerysm with extrinsic compression of the left main coronary artery: a case report

Journal of Clinical and Translational Research

Dear authors,

I am pleased to inform you that your manuscript has been accepted for publication in the Journal of Clinical and Translational Research.

You will receive the proofs of your article shortly, which we kindly ask you to thoroughly review for any errors.

Thank you for submitting your work to JCTR.

Kindest regards,

Michal Heger

Editor-in-Chief  
Journal of Clinical and Translational Research

Comments from the editors and reviewers:

Reviewer #1: Straight forward case report with important and well based conclusions.  
Whether LMC stents will solve the problem remains field of investigation and research
